

751—8.1(8D) Definitions. For the purposes of interpreting the rules in this chapter, the following additional definitions are applicable.

“*Challenge*” means a dispute regarding a scheduled and validated video session.

“*Scheduling conflict*” shall exist when the number of authorized users requesting the use of network facilities or services at a given time or location exceeds the network facilities or services then available. A dispute arising over scheduling shall not be a contested case proceeding.
